WOW

Sunday is the
Fuusya family's
cleaning
day.

Of course, the air is better where there are a lot of green trees.

The air smells nice.

Look at that!

It's even better out in the countryside.

But Nanami loves it.

It has been with Nanami since she was very little, its customary and not suited for Nanami's illness.

It's fine, it just needs to be washed.

A polycarbonate or plastic one would be better.

Enno, man!

I'm gonna go now.

Ryu's looking for you

So, wanna go home together?

Because those oil paint are bad for the environment, right?

For the good of the Earth, I'll stop painting

Come on.

What?

That MANY bookshelves??

Oh, so they became good friends already?

Oh, Ryu and Enno were up in our room.

Wait, do we have a guest or something?

But I'm still  
a teacher,  
an educator...

People used  
to say that

?

I was  
listening.

Furiya!  
Don't get  
violent!

To think  
that he  
suffered  
by himself  
without  
telling you

He  
probably  
has some  
type of skin  
allergy or  
eczema

You  
didn't  
know?

You

is impossible  
for me to imagine  
what he went thru  
to concentrate on  
homework or  
studying when  
he's plagued  
by such itches  
and rashes

but to not  
even know  
that your  
son is ill?

you may care  
very much  
about his  
mother

Why don't  
**YOU** go study  
if you like  
it so much?

I couldn't  
help my  
self...

Sorry  
!

A child isn't  
a tool to  
fulfill your  
own dreams

A child...

What  
**TOP**  
**SCHOOL**  
!

Every children  
have their  
own dreams

and the right  
to try to realize  
those  
for  
themselves

Children  
have freedom  
too

To force  
your son to  
study...

The Place to Show His Support

Isn't that  
the same  
with your  
SON?

but  
don't give  
up on  
yourself!

It's going  
to be  
hard

Garbaccio!

If it is,  
then why  
do you  
just do it,  
it's still  
not  
too late.

Is  
some-  
thing

YOU  
want to  
do, isn't  
it?

such as  
Painting,  
music,  
billiards,  
sports,  
anything

Going to  
college,  
to study...  
or things  
like hobbies

If you say  
that those  
ARE  
impossible

you can  
still add  
those things  
to your  
life

Those are  
ALL possible

That was  
sooooo  
embarrassing

How can I  
just lecture  
on a parent  
like that?

Well,  
I'm done..

That's  
good  
logic.

Do...

You  
don't  
look  
so  
good!

Shin  
seems...

Maybe  
sensei  
said  
something  
wrong

you  
want  
to  
try  
some  
more  
of  
this?

Gawd not  
No urine!

Like I'm  
one  
to  
talk!

AAAAA

It's better not  
to get involved  
in problems  
between friends

Ryu can  
take care of  
it himself

So...

can't you go  
encourage  
him... cheer  
him up?

Of course,  
he looks so  
down

Takamatsu  
didn't go to  
school  
today...

but maybe  
he's just  
anxious about  
transferring

That  
thing with the  
letter

but him  
very hard

omigod  
Ryu?

Well,  
time for  
dinner

worry for  
mistaking

that you were  
the one who  
was...

It'll be  
fine.

he won't stay  
going  
forever

Then, this again?

Contestant  
Number 5:  
**FURIYA  
RYUNOSUKE**  
san

GASP!

Is  
Ryu

I didn't think  
that Ryu can be  
so composed  
speaking in  
public like that

Right?  
Easel

...deliberately  
putting himself  
in a tough spot  
... just...

to apologize  
to those for  
for himself?

SAD TOYS SOCIETY

Forever

What is...  
...some crazy  
riddle about  
castles,  
promenades,  
and desserts?

Yamato: Castles is how you'll find the castle to get your prize.

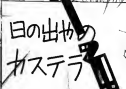

And wow!  
Furiya san even  
wrote down the  
store's brand  
name.

The correct  
answer is  
kastura  
!

And  
Two got  
it wrong  
!

日の出の  
カステラ

AND 4 PEOPLE  
Have Already  
Been Ousted  
in the First  
Round...

But Contestant  
number 5 is still  
going strong..

For the next  
question,  
Write the  
answer on  
the whiteboard

Question  
#8

And there're only  
three  
contestants  
left.

So...  
that's why...  
he doesn't  
have to...

Toshi...

um...

What is it?

Toshimasa,  
is that your  
friend?

Please...

Dad  
Tatsuma...

that time,  
me breaking  
the vase...

...and it  
wasn't  
enough...

Ryu already  
apologized...

take me to  
Toyogu Park...

now

Please!

What's  
with  
number 9?

Has he  
given up?

You lose if  
you get even  
one word  
wrong!

Here comes  
your breaking  
the tie...

**RYU!**

**FURIYA!**

This is  
going to  
be a hard  
one.

And here

Only two  
contestants  
are left!

And now,  
the LAST  
Question!

Write down the first  
passage from  
Ishikawa Takuboku's  
unfinished novel.

think  
at all...  
so tired...

it's  
over...

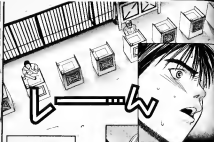

It's almost 10 o'clock and the show is coming up next!

I  
can't.

Question  
20!

Furiya  
!

I was so busy from the fatigue and anxiety...

I thought that I heard Tsukamoto calling me...

or did he really...

Now let's  
see if  
Furiyas  
answer

He didn't  
know the  
answer at  
all. Just a  
question  
mark...

and the passage  
would've  
completed...

so no one wins...

Oh the humanity!  
just two more  
words...

time and money. I think I will take that test and go to college to continue my education.

You know, if and when I do have enough.

I see.

Thanks for everything.

Take care of your wife...

These are Super Low Quality scanlations lost in terms of dpi (which is excellent considering that these were scanned 3 years ago) but in terms of the editor not even bothering to split and organize the pages and stuff.

Awareness errors in character names, food, health advices... and translation in general...

DO NOT assume the health tips to be accurate...and the literature references to be either...

science, sometime from 2000 to 2001, I don't really know, so I can't really ask for permission
